Overview of the School of International Studies

Global Studies

Conducted &
Delivered in English

This track aims to develop students' global engagement by sharing different perspectives on global issues in the fields of business administration, economics, international trade and political science and diplomacy with foreign language proficiency to cultivate global leaders.

** Career path after graduation

- ✓ International analysts, international negotiators on trade deals, international corporate risk manager
- ✓ Helping the poor, or fighting for human rights and human dignity, international peace and security in international organizations, and non-governmental organizations (NGOs)
- ✓ Specialists in international commerce, international development, and cooperation
- ✓ Multinational companies in finance, training, and manufacturing

Korean Cultural Studies

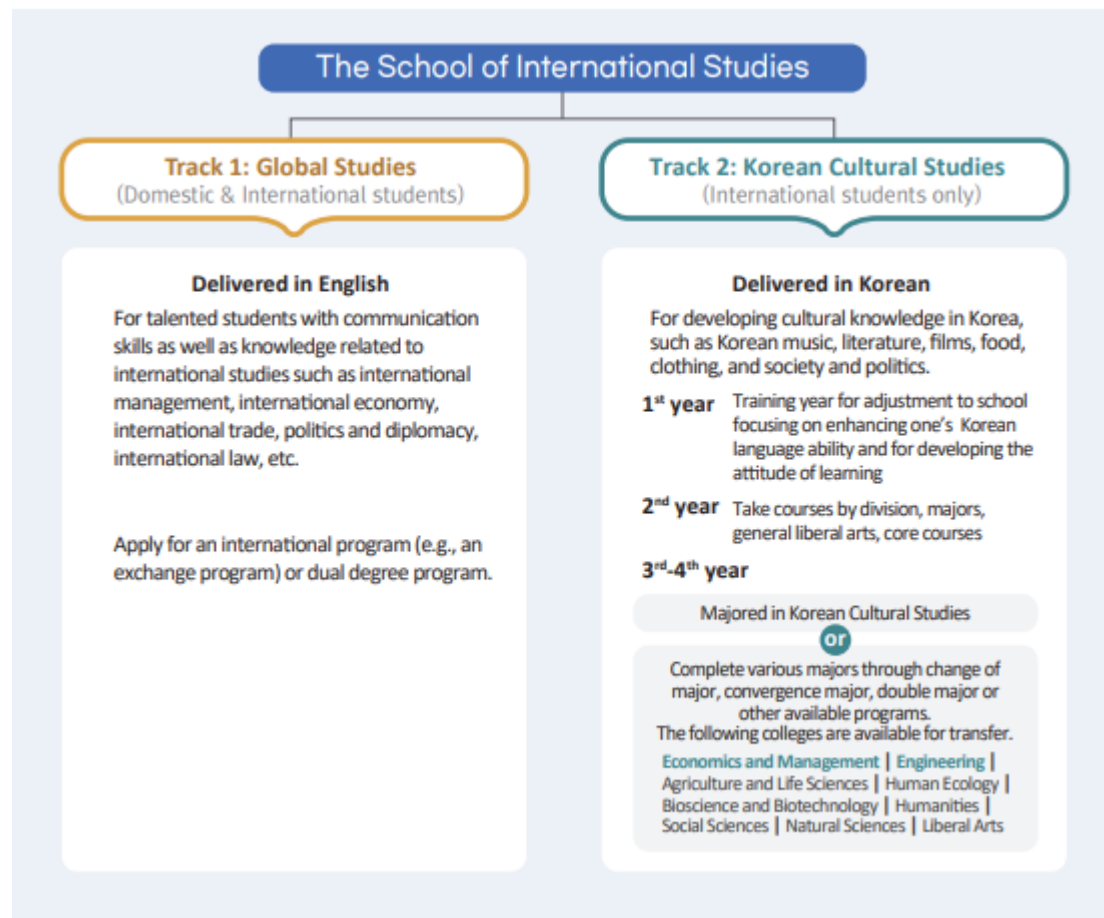

Conducted &
Delivered in Korean

This track allows students to immerse in Korean culture and to be the competent global leaders spreading K-culture and K-content and producing a global impact through it! The customized Korean cultural studies are comprised of Korean language, literature, culture, life, fashion and Korean society itself. It will take an in-depth look at various aspects of Korea and K-content and lead students to explore the whole country and to be experts on Korean culture.

※ Those who have applied to other departments at CNU can apply for this track (Korean Cultural Studies) as your 2nd choice.

** Career path after graduation

- ✓ Culture critics, analyst on Korean culture, expert on the Korean wave
- ✓ K-content producer, broadcasters, journalists, expert on communication
- ✓ Researchers on K-content, digital information, media platform
